

WELLNESS POLICY

As we all know, sickness can keep going around with children, affecting not only the other children in your child's Awana group, but your family and other families as the illness goes "back and forth" between the children. Here is our established health policy for our Awana ministry.

Children SHOULD NOT attend Awana if they have any of the following symptoms:

- Fever – 100 degrees or higher within the last 24-hours
- Vomiting within the last 24 hours
- Diarrhea within the last 24 hours
- Runny nose if accompanied by other symptoms and/or colored discharge
- Bad Cough – coughing increases the chance of infection being spread to others
- Any rash that is suspected to be contagious
- If your child is prescribed an anti-biotic, they must have been on the anti-biotic for a minimum of 48 hours prior to attending Awana.

Thanks so much for your adherence to this wellness policy. If you have any questions concerning this policy, please don't hesitate to ask for more details.

Mr. Tim
