

Val Cooper

I am very excited about the opportunity to teach the Third Grade at Triad Baptist Christian Academy for the upcoming 2007 - 2008 school year. I am looking forward to meeting my students and their parents.

I am a graduate of UNC- Greensboro with a BA in Early Childhood Education. For the past 33 years I have been teaching at Kerwin Baptist Christian School. I have been certified in North Carolina and Georgia, and have just received my certification from ACSI.

Over the 33 years I have taught second grade, fourth grade, third grade, and for the last four years a combined third and fourth grade class. I also coached the KBCS JV and Varsity Volleyball teams for 27 seasons. There are even some Triad Baptist Church members who played on those teams!

The teaching of God's Word is the basis for all subjects taught. Memorization of God's Word and the claiming of His precious promises are vital for spiritual growth and learning. I especially enjoy teaching History/Social Studies. Instilling a strong sense of patriotism and a love for our America is most important in the minds and lives of children.

With the closing of KBCS, I am most fortunate to have been given the opportunity to be a part of the TBCA team. The Lord has opened this "door" for me. I look forward to renewing and making new friendships.
