

Attention Parents and Care Givers:

We have a wonderful summer planned for the children. We would like to extend an invitation to you to come and join us and involve yourselves in our activities and field trips. We are always looking for helpful hands and volunteers.

If you have an occupation that will allow you to come and share with our campers about your career, we would love to have you.

We will have a Pinewood Derby Race on Friday August 13th. This may require some help at home with the cars. My husband Steve Miley will be here earlier that week to help the students with their cars. We will award ribbons for 1st, 2nd and 3rd place and also for the most creative cars.

If you are interested in participating in this great event please see Mrs. Stacy

Thank you in advance for support and making this summer experience a great one.

Stacy Miley
Director of After School & Summer Camp
