

“The Amazing Race”

Summer Camp 2010

At Triad Baptist Christian Academy Summer Camp our goal is to provide the children with the tools and knowledge that they need to grow in their walk for Jesus. Through daily activities, projects, fieldtrips, community service, and devotions the children will gain full knowledge and understanding of how important they are to God and that He has a plan for their life.

This year our theme is “The Amazing Race”. Throughout the Bible our life with Christ is compared to running a race. We are going to explore all aspects of the race and what it takes to get to the finish line.

- ❖ Campers must wear camp T-shirt on field trip days. This helps us identify our children and provide a more safe and secure environment.
- ❖ Campers will not be received or signed in without a lunch each day.
- ❖ Please make sure the lunch is non-perishable and does not require refrigeration or heating! All lunches must be labeled with their name on it.
- ❖ All medications and medication forms must be completed and turned in to the office.
- ❖ Swim suits must be one piece. They will not participate with a two piece suit. On swim and water days please send two towels with name on labels.

- ❖ On swim day please apply sunscreen prior to coming to summer camp, due to the large number of students we are unable to apply sunscreen to everyone.
