

Teacher's Chatter

Lively Lions:

It has been a busy time academically in our class. The children have learned all the vowels and the blending of a consonant with a vowel. They also learned the recognition and concept of numbers through eight. For the month of October, we have been learning about Indians - how they lived, sign language, their clothing and the food they ate. For this month, we will be learning about Pilgrims and about how they came to America. On November 20, 2006, we will have a little program for all our parents who come to the Thanksgiving feast. The program will be at 11:40 am and we will eat at 12:15 pm. I hope you can come. We have worked so hard on this for all of the month of October. November is the month of *Thanks*, but we know every month, we should be thankful. Thank you for giving us the opportunity to teach your child.

Psalms 100:5 - For the Lord is good; His mercy is everlasting; and His truth endureth to all generations.

God is good all the time... All the time God is good.

Mrs. Veigh & Mrs. Lila

Happy Hippos:

The Hippo's want to thank all of their wonderful parents for their help with our fall festival. We appreciate you!

As we begin November, our new bible verse is: "Fear not, for I am with Thee" Genesis 26:24. We will also be learning about Elisha, Naham and Daniel. Please remember to sign up for our Thanksgiving meal.

God bless you all, Ms. Kim

Tiny Tigers: 

We began learning our color, shapes and the alphabet, as well as the alphabet song that the children love to sing. The children are also doing a wonderful job working on their prayer. We look forward to another great month with your loving children.

As we begin a new month we would like to remind you that even on cool days we do sometimes go outside, so please bring in a coat on those chilly mornings.

Mrs. Heather and Mrs. Sonya

Zealous Zebras: 

It has been a busy time academically for the Zebra's. The children have learned all of their vowels and blending of consonant with a vowel. Also, we are learning the concepts of our numbers through 8.

We would like to say Happy Birthday to Sydney on 11/3/and Jadah on 11/6.

Don't forget to sign up for our Thanksgiving dinner here. Parent's, please do not forget to check your child's folders and cubbies each day. With the weather getting colder, remember, your child will need clothes that are warmer to wear to school as well as a change of warmer clothes if he/she has an accident.

Thank you,

Mrs. Collette

Busy Beavers:

We are learning new things each and every day! In math we are learning our numbers 1-15. We are learning our letter's E through G. For Bible time, we are learning about David and Goliath. Please be sure and wear warm clothes for outdoor playtime.

Thank you, Mrs. Kathy and Mrs. Cindy

Little Bears:

Just a note to let you know that the "Little Bears" are doing great! They have done well in the classroom with me (Pat) and Ms. Samantha.

Each day we start our day with Bible, followed by our ABC's and numbers. The children really enjoy the group times for these activities.

In the following weeks we will talk about fall, the colorful leaves and pumpkins. We are all looking forward to our Thanksgiving dinner and we hope you can join us here for lunch on November 20th. You can sign up in our classroom!

If you have any questions, please feel free to talk to us.

Mrs. Pat and Mrs. Samantha

Rustling Rhinos:

Hello, from the Rhino's! This month we will continue to work on our counting, letters and numbers as well as the months of the year. We are asking that parents please help their child with these learning activities at home at least once or twice a week. We are working hard on getting our classroom organized and the children on a wonderful routine for learning and enjoying their day, so please bare with us through this process. I think you will soon see great little Rhino's soaking up all the learning they can grasp! Thank you for allowing us to teach your little ones!

May God Bless; Ms. Clara and Ms. Temekia

Playful Pandas:

Hello to my wonderful Panda parents! We are excited and also very busy learning new bible verses and reviewing our A Beka curriculum. Please do not forget to sign up for our Thanksgiving Day lunch! Hope you all can come and join us!

Ms. Stephanie

Marvelous Monkeys:

October was a busy but fun month for the monkeys. We are still pushing ahead in our A Beka Curriculum. We had a crazy sock day and the kids had a great time showing their socks off. They also had fun wearing their socks in the classroom for the day and before going home they got something from our special prize box. We are now planning a PJ day!!! Parents, thank you very much for helping us stock our prize box.

Mark your calendar for November 20th for our Thanksgiving meal. We pray you will be able to come. Please keep us in your prayers. Learning needs to be fun for young children to learn, and we want to be what they need.

Our kids love show and tell. Thanks for taking the time to make it happen. Again, thank you for all that you do!

See Jesus in me.

Ms. Barb, Ms. Wilma and Ms. Heather

Galloping Giraffes:

It has been a busy time academically in the Giraffes room. The children have learned all the vowels and the blending of a consonant with a vowel. They have also learned the recognition and concept of numbers through eight. Next page....

If you have noticed, winter is soon approaching. I have decided to place the mats on top of the cubbies so that there is room for your child's coat. Please make sure that all extra clothes are placed in the top of the cubby and your child's sleepy blanket and stuffed animal are in the bottom part of your child's cubby. Make sure your child's extra clothes have been replaced with warmer ones. Your child's papers should be taken home everyday. This will help their folders to not get so heavy.

Thanks for all that you do! P.S...We need Classroom Reps!

God Bless,

Mrs. Shara

Persistent Panthers:

The months are flying by and with them our Panthers are learning more and more. We have learned the sounds for all of our vowels and T, B, L and many more will be coming. We've started blending and we are doing an amazing job with it! We started writing our numbers this month and will continue to, one number each week.

Thank you to everyone who helped with our fall party! It was great! The children enjoyed it and really did deserve the treat. I want to give a big thanks to our room reps for all of their help! Next page...

Some small reminders for November: I will be out on November 7th for my birthday. Ms. Debra will be subbing for me. She is here with the class on Mondays, Wednesday and Fridays, so everyone should do well with her. The center will be closed on November 27th and 28th for Thanksgiving, so mark it on your calendar. Homework is given out every two weeks and needs to be brought back. I will be going through the children's folders before Thanksgiving and seeing who is missing what. Then worksheets will be sent back out. Please bring them back as they do help me figure out what I need to work on more here.

See you all soon!

Ms. Brandy
